

## Excursion

Date: Juli 16, 2014

Time: approximately 7:30am – 6pm

Location: **Henkel Düsseldorf**, Bus transfer from and back to Mainz University

---

## Visit of Henkel, Düsseldorf

We start the excursion to Henkel July 16 at 7:30am from Mainz University. The bus will arrive in Düsseldorf approximately 2.5h later at 10am. We will get a tour of Henkel and have a joint lunch. Then, Henkel will present their company profile and illustrate positions at Henkel where chemists and physicists work. Afterwards, you will have the chance to present your work on a poster and directly talk to people from Henkel's human resources department. The bus will leave Henkel at 3:30pm and bring you back to Mainz.

This is a great chance to meet people from industry and, in particular, to get an insight into the work at Henkel.
